To whom it may concern

This is to inform that **Mr. Rebeiro Johnson Wilfred** from **Yenepoya Institute of Technology** has successfully completed his internship with 'Lighting Bees Private Limited', Tamil Nadu as a **Python Developer - Intern**. His tenure of internship is **July 18, 2022 – August 31, 2022** with stipend of Rs. 2,000.

During his time with us, he worked on **developing python applications** for our product – Learn Basics (A Division of Lighting Bees Private Limited). During the course of the internship, we found him a hardworking person with excellent communication and technical skills. He proved himself as a quick learner and team-player throughout the intern period.

If you need any documents related to his intern with us, feel free to contact us at [karthe@learnbasics.fun](mailto:karthe@learnbasics.fun)

Sincerely
